Hi Jer,

Yes, I'm teleworking too. Sorry for not recognizing your phone number.

The NACAA/AAPCA/CAPCOA consent form is different from the annual WESTAR contribution, but that will be my next request. Attached is CARB's consent form from last year.

Let me know or call me if you have any questions.

Thanks!

- Angie

Hi Angela,

I called your office number but I'm not sure if you're teleworking too.

Is NACAA/CAPCOA different from the annual WESTAR contribution for California's Regional Haze?

Thank you,
Jer Yang

Hi Jer,

Attached is CARB's NACAA/AAPCA consent form for 2021. EPA must obtain your Agency's annual consent to hold back a portion of your Clean Air Act Section 105 (CAA 105) funds for the NACAA and/or AAPCA assistance agreements, which are awarded by EPA Headquarters.

If your Agency approves FY 2020 CAA 105 funds being directed to NACAA and/or AAPCA to continue environmental projects that support CARB's air pollution control program, please have your Agency Director sign the enclosed signature document, and return a pdf copy with the signature to me by **Wednesday, March 25, 2020**.

If you have any questions or would prefer a formal letter, please let me know.

Thanks!

- Angie
